

The Charleston Peninsula Preservation Trust presents the Parking with Purchase Program to promote awareness of parking availability and convenience in the Central Business District of the Charleston Peninsula.

Businesses who participate in the Parking With Purchase Program make complimentary \$1 stamps available with a purchase from their establishment for customers who park in City Parking Garages, or they have free onsite parking.

Businesses who offer their customers Parking with Purchase will receive a free listing on www.shopkingstreetcharleston.com, as well as all other King Street Marketing Group Websites.

Books of 100 parking stamps may be purchased for \$80 at any City of Charleston Parking Garage by calling the Garage Manager and requesting a book of stamps be left at the booth for pickup. That's a 20% discount and a great gift for customers.

Garage	Address	Manager	Office Phone	Booth Phone
